Gloria:

Thanks for including me in this but this is a cost recovery issue and if they are happy with it then ok. I am only interested in the technical issues and timeframes allowed to complete the technical work.

Pursuant to my conversations with you Chuck and Carl Bolden, I have revised the Special Account language. The language for Payment of Reponse Costs is very unique. Please review. When we have a final on this section, it will be ready to go back to the defendant.
